**Yash Tandon : Development and Globalisation: Daring to Think Differently** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Development and Globalisation: Daring to Think Differently:

Challenging the misdirected policies of the last 30 years regarding the South's responsibility to develop itself rather than expect the North to carry the burden, this book offers alternative concepts and paradigms of development for

policy makers and peoples' movements on a wide range of issues. It invites readers to "dare to think differently" and be aware of what globalization has turned into in recent years.

"Tandon's perspectives on global issues are indeed incisive." —Desmond Davies, African Prospects
