He has told many others about it and recommends to anyone in the corporate world. The book arrived a day early and in great shape. May many others learn from it, acquire peace and encouragement from it, and be a light in the corporate world due to it!1 of 2 people found the following review helpful. Good not GreatBy SandeeBeing a chaplain in a corporate setting I am always searching for good devotional materials to start our meetings. "Devotional Ventures" is a good, solid, average, collection of devotions written by persons in the corporate world. Good but not great.2 of 3 people found the following review helpful. INTERSECTION OF CAREER AND FAITHBy Heather IvesterWhat would Jesus do--on the job?In this new devotional book that explores the intersection of faith and business, over 60 well-respected professionals offer fresh insight on how to live as a believer in the workplace.Executives from Intel, Boeing, Google, Coca-Cola and eBay, among others, show how

they apply biblical principles to their jobs. Topics include maintaining personal integrity, defending your faith, persevering through trials, and other challenges encountered in the business world. Each devotion includes a relevant Scripture and application question. The interactive website encourages comments, stories, and reflections from readers, and future projects are planned for this thought-provoking series.--Christian Women Online Book Buzz

What would Jesus do--on the job? Here, sixty businessmen and women offer professionals fresh insights on how to practically apply biblical principles to their jobs. From maintaining personal integrity, defending your faith, persevering through difficult situations, and dealing honestly and fairly with others, each devotional topic directly applies to a challenge encountered in the workplace. A relevant Scripture and question for application helps readers reflect on and apply the pertinent truths they find in that day's devotion. Rather than compartmentalizing their "work life" and their "church life," business professionals will be inspired to surrender all parts of their lives fully to the Lord. Readers will come away with a better understanding of how their work matters to God and how their faith can influence every aspect of their professional life.
