I. Kuroiwa : Economic Integration and the Location of Industries: The Case of Less Developed East Asian Countries (IDE-JETRO Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Economic Integration and the Location of Industries: The Case of Less Developed East Asian Countries

(IDE-JETRO Series):

A comprehensive picture of the effects of economic integration on industry location in less developed East Asia - particularly in Cambodia, Laos, Vietnam, and Myanmar - who pursued trade liberalization and economic integration after the 1990s. Studies include detailed empirical analyses of regional industry locations as well as country overviews.
