**Robert Webb : Economics Express: Financial Markets and Institutions** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Economics Express: Financial Markets and Institutions:

Economics Express; Take exams with confidence; Prepare for assessments with ease; Understand quickly; Revise effectively

About the Author\* Dr Robert Webb is the Head of Department and Director of Caledonian Business School's postgraduate programmes. His main areas of research are financial institution performance and applied economics where he has published widely in international research journals, book chapters and acted as a consultant - most recently at the Chartered Institute of Bankers, Scotland. \* He is an experienced teacher and author, who understands well where and how students struggle when tackling this subject
