Colin Sprake : Entrepreneur Success Recipe: Key ingredients that separate the Millionaires from the Strugglers before purchasing it in order to gage whether or not it would be worth my time, and all praised Entrepreneur Success Recipe: Key ingredients that separate the Millionaires from the Strugglers:

1 of 2 people found the following review helpful. Move Yourself Along Your "Knowledge, Action, Profit"

Entrepreneurial Journey (practical) By Stephen Hobbs, EdD The book is written with "spotlight" markers to pick up Colin's great tips. These markers keep you moving forward while indicating reflection points to jot down ideas. And there is just enough example to understand his suggestions. The book is a great stand alone resource - yet, coupled with one of his workshops you leverage even more insight for your entrepreneurial journey. 1 of 2 people found the following review helpful. Perfect for Business Owners new and seasoned! By Sharon McRill This is not just another business book. Colin Sprake breaks it down and shares from his own experience. He has a rating system so you can see where you are strong and where you need help. I've been in business for 11 years and this book is really helping me move forward and blow away this years goals! 0 of 1 people found the following review helpful. Another sales pitch By Bleep Waste of time

Entrepreneur Success Recipe was developed because of the sheer number of entrepreneurs that fail. Author Colin Sprake, having worked with 1,000s of them, saw the key ingredients that they were missing and knew that if entrepreneurs worked on those key ingredients, they would turn from strugglers into millionaires - no matter what industry they were in! Entrepreneur Success Recipe was developed over 3 decades of in the trenches entrepreneurship and offers an entrepreneur skill test in the beginning to let you know where you are at and what you have to learn to take yourself and your business to the next level!

Colin Sprake has delivered the goods. In his new book, he not only provides the recipe for entrepreneurial success, he also lays out a clear-cut plan for how to get it. What I like best about his book is that it's not just a bunch of theory. It's jam-packed full of specific ideas for separating yourself from the pack. This book teaches you necessary skills, instructions, and troubleshooting tactics unlike any other book out there. Do yourself a favor and get a copy of this book, then do what he says in it and take action. -JJ Childers, Attorney and Author, Real Wealth Without Risk, Asset Protection 101 Colin Sprake has filled a book with solid and exceptionally readable advice. Follow his simple to follow suggestions and life will be a whole lot more fun for you, especially when you make bank deposits. -Jay Conrad Levinson, bestselling author and father of Guerrilla Marketing Finally, Colin has taken his decades of brilliance on combining mindset with business and put them together in an incredibly smart way, to assist all entrepreneurs with achieving outrageous levels of success. Plus, it's done in very simple and easy to follow format. You have got to read this book! -Jill Lublin, international speaker, bestselling author of 3 books including Guerrilla Publicity I could not put this book down! I have read countless books on entrepreneurship, yet what Colin has done with his direct style is engage you into knowing that you can achieve more and hit new heights in all areas of your life. Master these principles and be amazed by what you can achieve! -David Hancock, Founder Morgan James Publishing. Finally, a perfect recipe for becoming a successful entrepreneur - make sure you follow it. This should have been done years ago! Colin is a genius at what he has put together to get all entrepreneurs to the next level of success. If you are an entrepreneur you have to read this book! -Rick Frishman, bestselling author, publisher speaker.
